GfK Consumer Confidence Barometer

October 2022

Consumer Confidence Barometer – Overview

- The UK Consumer Confidence Barometer is conducted by GfK and was conducted amongst a sample of 2,001 individuals aged 16+ in the UK
- Quotas are imposed on age, sex, region and social class to ensure the final sample is representative of the UK population
- Interviewing was carried out between 3rd and 13th October 2022
- The study arrives at the index score by arriving at an average of averages from core questions
- This survey was conducted via a nationally representative online survey, with a yearly telephone survey conducted to calibrate the data
